

Dear Parents and Carers,
 Next Friday is Movie Night. It's always a very popular afternoon for the children. Please see the posters around school for details. The £1.50 donation, paid on the day, goes to the De Paul Society charity.
 Thank-you to our PTFA for organising this upcoming event.
 Best wishes,
 Mrs Smith (Head of School)

Anglo-Saxon and Viking Day in Year 5!

Samuel S. Samuelson, Head of Old Words at the University of Uxbridge, arrived at St. Eugene's this week after having discovered a mysterious document: a scroll written by Alfred the Great 1250 years ago, which named Year 5 as having helped him survive and defeat the Vikings! This baffled him so he came to our classroom to investigate. Year 5 had an amazing, memorable day creating things to send back to Alfred to help him, finding hidden historical artefacts and they even used a time machine!

A reminder... We are delighted when parents make appointments with class teachers to look at their children's work. Do make an appointment with your child's class teacher if there is anything you would like to discuss. If you are worried about something, see us straight away. Don't let a little worry turn in to a big one... You can also pop in to tell us good news. It helps to keep us going with a smile :)

Reception applications for September 2018

Monday 15th January is the final deadline for applications for Reception class for 2018.

If you are applying for your child, or have a friend who is, please make sure that your online application is in by

Monday. If your online application is not done in time, it counts as a late application and will affect your chances of getting a school place for your child. Supplementary forms are also available from Miss Gayle in the office.

Mothers and Toddlers Group

If you have a young child, this could be for you...The group, run by Father Terry, meets every Monday at 9am outside the church. The mums, dads and little ones have a lovely time at Hullabaloo. It's a good opportunity to meet other parents. It's free and fun.

Do come along and join in the chat and the fun!

Work of the week...

Every week a fantastic piece of children's work is showcased in the school lobby (next to the office).
Do come and take a look.

This week Tate Frost's (Reception) work has been chosen. Tate has made a fantastic fact book: "What do we need water for?" Tate has included lots of key facts about water, he has written his sentences very clearly and carefully on the lines and has remembered to use full stops and capital letters.

Well done Tate!
