

# St Eugene's Primary School Newsletter

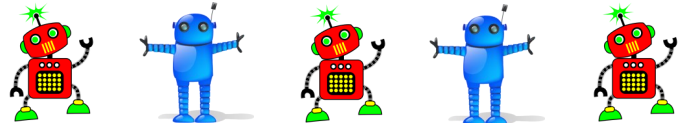

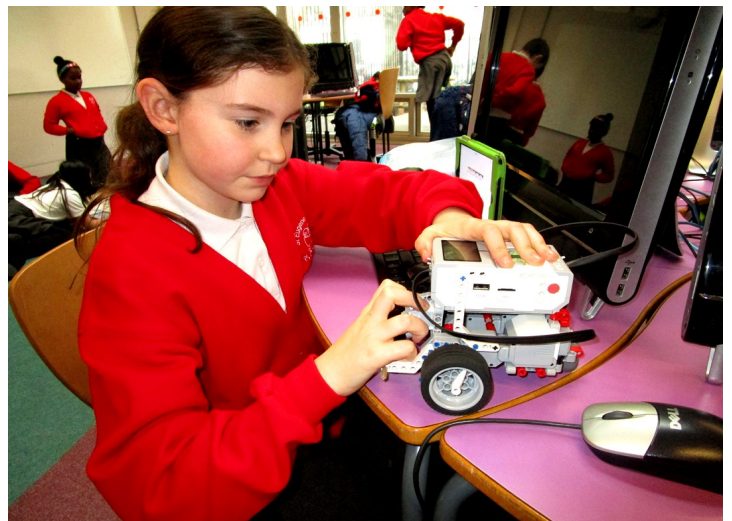

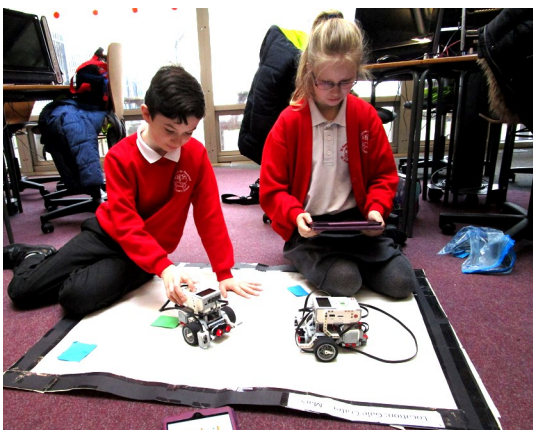

Friday 17th March 2017

Dear Parents and Carers,  
Happy St Patrick's Day!

Thank-you so much to our PTFA volunteers, who have been working hard to organise things for our Spring Family Disco next week. Thank-you to those of you that were able to come to the Sacred Heart Church today for our special service in Mr Donohue's honour.

Best wishes,  
Mrs Smith (Head of School)

Go shine in the world!

## Camden Learning Centre...

Year 3 and Year 5 have been on trips recently to the CLC. Year 3 learnt to build and animate a Lego robot using the computers.

Year 5 learnt how to program more complex robots. All of the children brushed up their programming skills and became very adept! They showed beautiful learning behaviour. Well done Year 3 and Year 5!

## Our prayer...

Lord Jesus,  
During the season of Lent,  
Forgive those things we have  
done

which have caused you sadness,  
and those things we should have done  
that would have brought you joy.

Bring us back to that place  
where our journey began,  
when we said that we would follow  
in your footsteps.

Lead us to the Cross  
and meet us there. **Amen**

## Coffee Mornings...

We're going to be holding  
coffee morning/information  
sessions for parents after  
the Easter holidays every fortnight.  
Do email any suggestions for good topics  
for coffee mornings to:

[admin@steugene.camden.sch.uk](mailto:admin@steugene.camden.sch.uk)

We already have some useful ideas such  
as: Sleep awareness, Healthy eating and  
How to help your child with reading at  
home, but would love to hear your ideas  
too.

Thank-you:)

## Mr Donohue Appreciation Day...

We had a wonderful time  
with a day of celebration for  
Mr Donohue on Friday 17th  
March. The children wrote  
poems, made cakes, sang  
songs and made beautiful  
portraits for him. We are so  
lucky to have him working in  
our school!

## Work of the week...

Every week a  
fantastic piece of  
children's work is  
showcased in the  
school lobby (next  
to the office). Do  
come and take a  
look.

Haron Samson (Abi) Year 1 has worked  
extremely hard on his maths work. Year 1  
have been learning about division,  
grouping and sharing. Abi has used his  
cubes to share out lots of different  
amounts equally. He has worked carefully  
and checked his work by counting the  
numbers in each group. Abi is able to  
confidently write the division number  
sentences which match each of  
his problems and explain them  
to his partner. **Well done Abi!**

## Talk topic...

Every week a thought provoking question is displayed in the library. The children have the opportunity to think about the question and write a response or suggestion.

You might like to talk to your child about our question.

This week the talk topic was...

**What is your favourite book and why?**
