

St Eugene's Primary School Newsletter

Friday 29th April 2016

Dear Parents and Carers,

We are delighted that our external staircase is now finished. The beginning and end of school day arrangements have worked very well. Thank-you for your help with this. From next week we can go back to our original arrangements for coming into school via the Mazenod Avenue entrance. Children who want to bring their bikes and scooters into school, can use the Quex Rd entrance and bring them up the slope. All children, except Reception children, will continue to be collected in the top playground at the end of the school day.

Best wishes,
Mrs Smith
(Head of School)

Go shine
in the
world!

Expansion of our school partnership

The governors are pleased to let you know that St Michael's C of E Primary School in Camden Town will be joining our successful school partnership from September 2016 under the Executive Headship of Mrs Jackson. We very much look forward to working closely with St Michael's in the future.

Our external staircase is now finished! This improvement to St Eugene's is part of our ongoing programme to provide your children with a safe and exciting learning environment. Thank-you to Mr Guy Shackle (Chair of Governors) who produced the first drawings and cut the ribbon to declare our staircase open. We are very pleased with it:)

Careers Conference...

Four of our Year 5 children became Careers Ambassadors for the day this week and went to a conference at the British Library. Along with lots of other children from different schools in Camden, they learnt about different career paths. They will share their experience with KS2 children and pass on the inspirational things they learnt. They were excellent ambassadors for our school and we are very proud of them.

Our school website address: www.steugene.camden.sch.uk

I have received and read the St. Eugene's Primary School newsletter of 29.4.16

Friday 15th July Academic Review Day

Wednesday 20th July last day of term

Summer Holidays 21st July to 5th September

Tuesday 6th September Children back to school for the Autumn Term

Talk topic...

Every week a thought provoking question is displayed in the library. The children have the opportunity to think about the question and pin up their answer or suggestion.

You might like to talk to your child about our question.

This week the talk topic was...

Should fizzy drinks be banned?

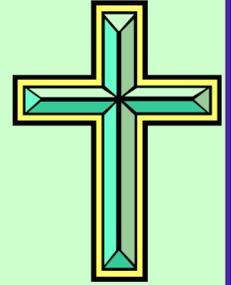

A reminder...It is Camden Local Authority guidance that staff and parents do not use mobile phones on school premises. Please do not use your mobile phone inside the school building.

Thank-you for your support with this:)

Our prayer...

The Gospel on Sunday was from John.

Lord Jesus, you showed us how we should love and care for one another.

May our love be a sign to bring others to know and love you too.

Amen

Pat, our lovely Lollipop Lady, will not be supervising the pedestrian crossing on Quex Road from the beginning of May for a four week period. The crossing will be unattended during this time so please remind your children to be extra careful when crossing the road.

Work of the week...

Every week a fantastic piece of children's work is showcased in the school lobby (next to the office).

Well done Nancy Keeling (Y2) Nancy wrote a prayer in the role of one of Jesus' disciples.

Year 2 have been learning about the Ascension, when Jesus returned to heaven to be with God.

She explained how the disciples felt lost after Jesus had returned to heaven, but the disciples looked forward to the coming of the Holy Spirit.

Nancy included some excellent detail in her prayer and thought carefully about how the disciples would feel at this time.
