

## These rules will help us to keep safe at school...

1. On the way to school and when I arrive in the playground I must keep 2 metres away from people who are not in my family.
2. I must wash my hands carefully with soap and water and dry them with a paper towel lots of times during the day.
3. I must only learn and play with the people in my group at school.
4. I must try to keep 2 metres away from other people as I move around the school.
5. If I want to cough or sneeze, I must move away from other people.
6. I must cough or sneeze in to a tissue, put the tissue in the bin and wash and dry my hands straight away.
7. If I feel ill I must tell a grown up **straight away**.
8. I must only use my classroom equipment. I must not share classroom equipment with other children.
9. I must only play in the playground that has been organised for my group.
10. I must only use the toilets that have been organised for my group.
